

Dark Is the Night, Pt. 2

B.B. King

Yes it's been so long since I've seen my baby's face

Well it's been so long since I've seen my baby's face

I'm tellin' you people, no one else can ever take her place
Yes the doorbell is ringing, I know there must be
somethin' wrong

Yes the doorbell is ringing, I know it must be somethin' wrong

Well looka here it's my baby, she's done changed her mind and come home
So hurry baby, come on in and close
the door

Yes hurry baby, come on in and close the door

Let me put my arms around you baby, so my nights won't be dark no more
