Love (Mukulu) by GAMiE "Lyrics"

I got love for my brother man
I got love for my sister
I got love for my brother man
I got love for my sister
We are happy
Mukulu muke
Mukulu Mukulu muke
We are happy
Mukulu muke
Mukulu Mukulu muke
We are happy

Verse 1

I see love love love
Love is in the air
I see love love love
Love is everywhere
I see love love love
Love is in the air
Let the music play on, play on

Together forever we love one another
Hand in hand we surely will conquer
Hands in air if you believe
Love and unity is what I see
An African loving an American
American loving an Australian
Australian loving a Mexican
A Mexican loving a Nigerian
So let the love go round like a merry go round...
International

Chorus

I got love for my brother man
I got love for my sister girl
