

# Lonesome Christmas

## Eric Clapton

I'd love to spend this Christmas sitting by the fire with you  
Well, I'd love to spend this Christmas sitting by the fire with you  
I'm happy for the moment, sharin' the whole day with you  
Jingle bells are ringing, children playing out in the snow  
Jingle bells are ringing, children playing out in the snow

There be turkey on the table, presents everywhere you goEveryone seems so happy, seasons greetings in the air

Everyone seems so happy, seasons greetings in the air  
Santa Claus is spreadin' presents, spreadin' presents everywhere  
I won't be home to help you decorate your Christmas tree  
Well, I know I won't be with you decorate your Christmas tree  
Well, I'll be thinking about you  
baby, and I hope you thinkin' 'bout me
