Backwoods Nation

Pedro the Lion

Calling all rednecks to put down their sluggers
Turn their attention from beating the buggers
Pick up machine guns and kill camel fuckersBackwoods nation...Calling all doctors of spin and the smoke screen
To whip the new hate riots into a frenzy
Of good versus evil ignoring the history
Of the Backwoods NationAin't it a shame
When due process
Stands in the way of swift justiceCalling all frat' boys
To trade in their hazing
Their keggers and cocaine
And casual date raping
For cabinet appointments
And rose-garden tapingsBackwoods, backwoods, backwoods.....nation
