

# Same Place, Same Time

## Emilia de Poret

You might be a superstar  
And you might drive a fancy car  
You might have a million bucks  
But that ain't what I'm looking for [Chorus]  
If you do this right  
The boy I'll let you stay here all night  
If you can cure this hunger inside  
I'll tell you meet me same place, same time  
Tomorrow night I don't care bout where you live  
And I don't care bout how you dress  
You don't have to floss for me  
Cause all of that just don't impress  
If you can't love me the way that I need to be loved  
Don't want to see you no more (see you no more)  
I hear you talking a lot but if you don't have the touch  
I'm gonna show you the door  
Show me what you got
