Treat Her Like A Lady

Jimmy Buffett

Some of us sailors call her home
She's big and she's strong and she's mighty
Some of us sailors call her our ownGuess that's the reason why
I treat her like a lady, just treat her like a ladyNow I don't like the sound of the ground movin' 'round
Or winds spinnin' out of control
California earthquakes, only seem to make a' me
Shake, rattle and rollI've been too long on the mainland
Hotels, rental cars and phones
Time to cast 'em aside, catch the very next tide
And go back, where I belongSome of us sailors call her home
She's big and she's strong and she's mighty
Some of us sailors call her our ownGuess that's the reason why
I treat her like a lady, treat her like a ladyNow great whales travel the rhumb lines
Dodging those deadly harpoons
Spawning their young, as their ancestors done
In the depths of her hidden lagoonsThere're times I find myself with them
And times I feel as they do
We're on a similar course, it's just a different source
But I'm in danger of extinction tooSome of us sailors call her home
She's big and she's strong and she's mighty
Some of us sailors call her our ownGuess that's the reason why
I treat her like a lady, treat her like a lady
Treat her like a lady, treat her like a lady
And miss her when I'm gone(Lady, lady)
Treat her like a lady
(Lady, lady)
Treat her like a lady(Lady, lady)
Got to treat her like a lady
(Lady, lady)
Treat her like a ladyLady, lady
Lady, lady
Lady, lady
