

# Treat Her Like A Lady

**Jimmy Buffett**

Some of us sailors call her home  
She's big and she's strong and she's mighty  
Some of us sailors call her our own  
Guess that's the reason why  
I treat her like a lady, just treat her like a lady  
Now I don't like the sound of the ground movin' 'round  
Or winds spinnin' out of control  
California earthquakes, only seem to make a' me  
Shake, rattle and roll  
I've been too long on the mainland  
Hotels, rental cars and phones  
Time to cast 'em aside, catch the very next tide  
And go back, where I belong  
Some of us sailors call her home  
She's big and she's strong and she's mighty  
Some of us sailors call her our own  
Guess that's the reason why  
I treat her like a lady, treat her like a lady  
Now great whales travel the rhumb lines  
Dodging those deadly harpoons  
Spawning their young, as their ancestors done  
In the depths of her hidden lagoons  
There're times I find myself with them  
And times I feel as they do  
We're on a similar course, it's just a different source  
But I'm in danger of extinction too  
Some of us sailors call her home  
She's big and she's strong and she's mighty  
Some of us sailors call her our own  
Guess that's the reason why  
I treat her like a lady, treat her like a lady  
Treat her like a lady, treat her like a lady  
And miss her when I'm gone (Lady, lady)  
Treat her like a lady  
(Lady, lady)  
Treat her like a lady (Lady, lady)  
Got to treat her like a lady  
(Lady, lady)  
Treat her like a lady Lady, lady  
Lady, lady  
Lady, lady
