

Pop (feat. LIINKS)

Mord Fustang

So can't get every night back
We could not advert time
Daytime on the beach
And drunk before the weekend
And I never had to run so fast
Through the trees to the tall green grass
They never caught us since you never look back
I thought we always be like that
I thought we always be like that
Let's pick it up where we left off
Let's blow it up this weekend

Pop

I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you

Don't want know that we left
You pick free to the sunset
And we never had to drive so fast
The heart race as you hit the gas
They never caught us 'cause we never look back
I thought we always be like that
Let's pick it up where we left off
Let's blow it up this weekend

Pop

I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
I'm gonna make you pop
