

Boys on the Radio

Hole

Do what you want
'Cause I'll do anything and I'll take the blame
What's mine is yours
You can have all of it and I learn to beg Oh, the boys on the radio
They crash and burn they fold and fade so slow
In your endless summer night, I'll be on the other side
When you're beautiful and dying, all the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight, tonight I want what's yours
Oh, I'd give anything and I'll take the pain
I wait alone for what will never come
And I throw it all away Oh, the boys on the radio
They crash and burn, they fold and fade so slow
In your endless summer night, I'll be on the other side
When you're beautiful and dying, all the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight
Your beauty blinds If I let you in under my skin and risen every angel slain
He said he'd never, ever, ever go
[Incomprehensible] know
Never ever, ever go away
Baby, I've gone away In your endless summer night, I'll be on the other side
When you're beautiful and dying, all the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight
Your beauty blinds I know where are running to, please come back
Oh, come back again
I hear the truth, it's coming from you
Oh, come back, won't you come back again? In your endless summer night, I'll be on the other side
When the water is too deep I will ease your suffering
When the glitter fades in morning
Turn away and you will find my empty eyes
Your beauty blinds I know that you are rotten to the core
I know that you don't love me anymore
I know that you are rotten to the core
