

O Christmas Tree

Tony Bennett

Oh Christmas tree, oh Christmas tree
Such pleasure do you bring me
Oh Christmas tree, oh Christmas tree
Such pleasure do you bring me Every year this Christmas tree
Brings to us both joy and glee
Oh Christmas tree, oh Christmas tree
Such pleasure do you bring me Oh Christmas tree, oh Christmas tree
Thy candles shine so brightly
Oh Christmas tree, oh Christmas tree
Thy candles shine so brightly Each bough does hold it's tiny light
It makes each toy to sparkle bright
Oh Christmas tree, oh Christmas tree
Thy candles shine so brightly
