Stay With Me

Constance Alex George

Intro; I've given and given, I deserve true love and happiness.
If you love me, stay with me, if you don't let me know now before I go so deep

Lead!:
If I say that I deserved all the mistreatment that I received from any guy
I'm lying cos all I've done is give and give
In return I've gotten nothing! I'm telling you because you've been
So good to me baby love don't change stay with me!!!

(Chorus)
I can't take another,
My heart don't deserve any more heart break
Baby Stay,
Stay with me, Stay with Me
Stay with me, Stay with me
(2X Chorus)

Lead:

Before you started this chapter with me
I never thought I could love again
But I've seen my self fall in love.. With you baby yah
I must admit that I've been so scared
Thinking that you might do me dirt!!
Like the ones before you did to me, but baby you know I don't deserve it, stay !!!

(Chorus)
I can't take another,
My heart don't deserve any more heart break
Baby Stay,
Stay with me, Stay with Me
Stay with me, Stay with me
(2X Chorus)

Baby I need to know now, would you stay with me!
In my past, they said that I was so amateur
I gave so much love in return got nothing (Oh no

So before we go any further I need to know
What's the deal ? Baby say!!!

(Chorus)
I can't take another,
My heart don't deserve any more heart break
