

# Snowbird

## The Light Of Aidan (Feat. Zia Williams)

Snowbird, come fly away with me, with me  
Beneath this snowy mantle cold and clean  
The unborn grass lies waitin' for it's coat to turn to green  
The snowbird sings the song he always sings  
And speaks to me of flowers that will bloom again in spring  
When I was young, my heart was young then too  
Anything that it would tell me, that's the thing that I would do  
But now I feel such emptiness within  
For the thing I want the most in life is the thing that I can't win  
Spread your tiny wings and fly away  
And take the snow back with you where it came from on that day  
The one I love forever is untrue  
And if I could, you know, that I would fly away with you  
The breeze along the river seems to say  
That she'll only break my heart again, should I decide to stay?

So little snowbird take me with you when you go  
To that land of gentle breezes where the peaceful waters flow  
Spread your tiny wings and fly away  
And take the snow back with you where it came from on that day  
The one I love forever is untrue  
And if I could, you know, that I would fly away with you  
The breeze along the river seems to say  
That she'll only break my heart again, should I decide to stay?

So little snowbird take me with you when you go  
To that land of gentle breezes where the peaceful waters flow  
If I could, you know that I would fly away with you  
Snowbird, come fly away with me, with me  
Little snowbird, come fly away with me, with me  
Little snowbird, come fly away
