

I Want Out

Pudge

Ooh baby, got a hold on me
I can't deny it
You locked the door and you swallowed the key
And I and I kept quiet Yeah baby, got a hold on me
I didn't want to be alone
I stayed with you 'cause I really believed
That I couldn't make it on my own But I'm getting a little bit smarter
Gettin' tired of playin' the martyr
And I know what you're all about I want out
I want out Ooh baby, your lovin' told on me
I couldn't smile anymore
My friends all told me, baby can't you see?
But I wasn't seeing clear before Now I'm getting a little bit smarter
Gettin' tired of playin' the martyr
'Cause I know what you're all about I want out
I want out Ooh baby got a hold on me
I didn't want to be alone
I stayed with you 'cause I really believed
That I couldn't make it, I want out Ooh baby, got a hold on me
I want out
Ooh baby, got a hold on me
I want out Ooh baby, got a hold on me
I want out
Ooh baby, got a hold on me
I want out Ooh baby, got a hold on me
I want out
Ooh baby, got a hold on me
I want out Ooh baby, got a hold on me
I want out
Ooh baby, got a hold on me
I want out
