Mekong

The Refreshments

Barkeep
Another Mekong please
Yes of course, you can keep the change
A new glass here for this new friend of mine
Forgive me, I've forgot your name
Flip a coin
What shall we talk about
Heads I tell the truth
Tails I lieI came all the way
From Taipei today
Now Bangkok's pouring rain
And I'm going blind again
And I ain't seen my girl
In fifteen thousand milesIs it true
It's always happy hour here
If it is I'd like to stay a while
And as cliche as it sounds
I'd like to raise another round
And if you bottles empty
Help yourself to mine
Thank you for your time
And here's to lifeBarkeep
We need to go around again
One for me and what's his name
My new best friend
Deal me in
And I'll pick my cards up off the floor
I'll see my lucky coin
And raise a pack of liesSmile to the girl at the door
Another 4 dollar whore
But don't look her in the eyes
She'll break your heartWe came all the way
From Taipei today
Now Bangkok's pissin' rain
And we're going blind again
And I ain't seen my girl
In fifteen thousand milesIs it true
It's always happy hour here
If it is I'd like to stay a while

And as cliche as it sounds
I'd like to raise another round
And if you bottles empty
Help yourself to mine
Thank you for your time
And here's to lifeIs it true
It's always happy hour here
If it is I'd like to stay a while
And as cliche as it sounds
I'd like to raise another round
And if you bottles empty
Help yourself to mine
Thank you for your time
And here's to life
