# Suburban Wasteland

## Mike Krol

Ohhh yeaah
Suburban wasteland...
I feel at home with you
Been walking all around this town (got those)
Brokedown car blues (alright)
And when I'm on the streets late at night
I start to think too much about my life
Yeah, I don't think I'm doing this right
Before the last time, I don't care
Okay, my friends, I'm giving in
I'll give it my best, you'll see
I want a house, but not the kids
A one person family
Oooh
Oh yeah, suburban wasteland
It's just me and you
Had enough of all that social life and said
"To hell with that too"
