

This War

Shoshana Bean

Silence falls around my ears
If you are screaming I can't hear a sound
I'm all out of ammunition
So I lay my weapon down

There is no more room to stand
I've given up on turning you around
So I've hit my hands and knees
On our blood stained battle ground

Oh let my tears be the mercy to wash it clean
You're used to watching me beg now watch me leave

â€˜Cause there is no war if I won't fight
There is no blame no wrong or right
No winner, no reward
There never is so I'm giving up this war

There was a time not long ago
I was in the same corner as you
Fighting from our strength and not our weaknesses
Exposing all our wounds

Oh let my tears be the mercy to wash them clean
You're used to watching me beg now watch me leave

â€˜Cause there is no war if I won't fight
There is no blame no wrong or right
No winner, no reward
There never is so I'm giving up this war

If you wanna fight
Then fight to keep me no push me away
I got a mind for control but it's only
Protecting a heart that's longing to feel safe

â€˜Cause there is no war if I won't fight
There is no blame no wrong or right
No winner, no reward

There never is so I'm giving up this war

Silence falls around my ears
If you are screaming I can't hear a sound
