

# People

Barbra Streisand

People,  
People who need people,  
Are the luckiest people in the world  
We're children, needing other children  
And yet letting a grown-up pride  
Hide all the need inside  
Acting more like children than children  
Lovers, very special people  
They're the luckiest people in the world  
With one person (one person)  
One very special person (one very special person)  
A feeling deep in your soul (in your soul)  
Says you were half now you're whole  
No more hunger and thirst  
First be a person who needs people  
People who need people  
Are the luckiest people in the world  
No more hunger or thirst  
First be a person who needs people (people need people)  
People who need people  
Are the luckiest (luckiest) people in the world  
People who need people in the world  
People who need people (send them your love)  
Who need people  
People who need people in the world (people who need people)  
Send them your love (oh those people)  
People who need people in the world (people who need people)  
(Send them your love)  
(People who need people in the world) people who need people  
(Send them your love) people  
People who need people in the world  
(Send them your love)
