

# Amok

## Diary of Dreams

I put so much faith into you  
I trusted everybody except myself Tales of your behaviour  
Like paper in a book  
You try to be my saviour  
How come you can not see the truth? I Am-oK, if I Am-oK, you see... Don't see such a stranger -  
I Am-oK, But you're in danger!  
I walked for years to get this far  
I have to tell you once again... You say my dreams have all turned grey  
How ignorant of you to say!  
You claim that you can feel my pain  
Insane of you to stay!
