Goodbye Stevie

The Spencer Davis Group

Well, I'm leaving, baby
I'm gonna go away from here
You know I'm leaving, baby
I'm gonna go away from here
Ain't even gonna worry
Ain't even gonna shed a tear

Well, I went to see my, baby
Pulled the blind and closed the door
She said, "Now, goodbye Stevie
I don't need you no more"
She's gone, I mean it here today
Leavin's so much work 'cause I know I'm going away

Well, I'm leaving
I'm gonna go away from here
You know that I'm leaving, baby
Gonna go away from here
Look out, pretty baby
I ain't even gonna shed a tear

Baby, you're so good, you're so fine
Baby, baby, baby, baby
Look out, you're so good
Look out, baby
Gonna leave this town for good
