

Get My Name (Extended Version)

Mark Ballas

Hey babe
Gimme sugar, so sweet, but I'm kinda bitter
Oh you wanna take me home
Meet your mama
But your daddy he can't be around Uh huh, I like it, you wanna play rough?
Then let me bite it
Oh an' it feels so good with ya baby
But I ain't tryna settle down Girl what did you do Got me in and outta trouble
I been drinkin' double
Can't no body touch ya 'cause you got it
You got it babe In and outta trouble
I been drinkin' double
Can't no body touch ya 'cause you got it
You got it babe Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name Hey babe
I got issues
No drug can match the rush that you give me
Oh take me high
To your planet
An' I ain't ever comin' down Girl what did you do Got me in and outta trouble
I been drinkin' double
Can't no body touch ya 'cause you got it
You got it babe In and outta trouble
I been drinkin' double,
Can't no body touch ya 'cause you got it
You got it babe Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name
Go ahead, you ain't gonna get my
Go ahead, you ain't gonna get my name Girl you're gonna get my, get my

Girl you're gonna get my name
Girl you're gonna get my, get my
Girl you're gonna get my name Tell me what did you do Got me in and outta trouble
I been drinkin' double
Can't no body touch ya 'cause you got it
You got it babe In and outta trouble
I been drinkin' double,
Can't no body touch ya 'cause you got it
You got it babe Go ahead, girl you're gonna get my
Go ahead, girl you're gonna get my name
Go ahead, girl you're gonna get my
Go ahead, girl you're gonna get my name
Go ahead, girl you're gonna get my
Go ahead, girl you're gonna get my name
Go ahead, girl you're gonna get my Go ahead, use it baby
