

If the Kids Are United (12" Extended Version)

Sham 69

For once in my life I've got something to say
I wanna say it now for now is today
A love has been given so why not enjoy
So let's all grab and let's all enjoy! If the kids are united
Then we'll never be divided
If the kids are united
Then we'll never be divided Just take a look around you
What do you see?
Kids with feelings
Like you and me
Understand him, he'll understand you
For you are him, and he is you If the kids are united
Then we'll never be divided
If the kids are united
Then we'll never be divided If the kids are united
Then we'll never be divided
If the kids are united
Then we'll never be divided I don't want to be rejected
I don't want to be denied
Then it's not my misfortune
That I've opened up your eyes Freedom is given
Speak how you feel
I have no freedom
How do you feel? They can lie to my face
But not to my heart
If we all stand together
It will just be the start If the kids are united
Then we'll never be divided
If the kids are united
Then we'll never be divided If the kids are united
Then we'll never be divided
If the kids are united
Then we'll never be divided
