

# Pretty Flamingo

**Iggy Pop**

Ooo, pretty flamingo  
You locked the door on me so I crawled in your window  
Ooo  
Ooo, pretty young flamingo I, I will protect you  
And you, you are so worth protecting  
Ooo  
Ooo, pretty young flamingo You'll never be cold flamingo  
You'll never grow old flamingo  
You my pretty flamingo Flamingo I'm right on the brink  
So what do you think?  
Can I buy you a drink?  
You're built like a willow  
I?  
So when I undress you  
I peek in your window They want to look in your window  
'Cause your a pretty flamingo  
Ooo, pretty young flamingo
