Take It Back

[Blondie](#)

Racing up to a red light
Came to a sudden stop
And then from out of nowhere
You said that you had enough enough enough
Racing up to a red light
Whats the point
I thought that we had a good connection
But it was completely out of jointI say to take it back
You say you can't do that
I say you're off the track
You said you didn't really mean it
So take it back
Take it backNa, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, naRacing up to a red light
Just a big stop sign
We had a head to head collision
And I saw the mess that we had left behind
Racing up to a red light
Now it's much too late
Everything is in the open
Such a stubborn personality traitNa, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na

You say you can't do that
I say you're off the track
You said you didn't really mean it
So take it back
