

# Let s Get It

## Plies

[Intro:]

Let's get it let's get it let's get it let's get it let's get it let's get it let's get it [Chorus:]

Whatever you bout I'm bout

Whatever you with I'm with

Whenever you ready all you gotta do is say let's get it

All you gotta say let's get it

All you gotta say let's get it

All you gotta say let's get it

Let's get it

Let's get it

Whatever you bout I'm bout

Whatever you with I'm with

Whenever you ready all you gotta do is say let's get it

All you gotta say let's get it

All you gotta say let's get it

All you gotta say let's get it

Let's get it

Let's get it [Verse 1:]

Ok mother fucker let me tell you something

I'm in it with my squad and all us out here bucking

We know how to set it off but we don't know how to dougie

One wrong move homie we go have you ducking

And 200 for these damn Jordan's so ain't went to stomping

Pay 50 bucks for this throwaway so I am with the upping

One thang I can promise you boy we ain't with them bluffing

Got me a small clique and my homeboys and the rest of 'em my cousins

That's my homeboy and he fucked up but ain't nobody here go touch him

He came with me and he go leave with me and that's the end of discussion

Let's get it let's get it

All you gotta say let's get it

Everybody in my circle want it

You bet believe that I love 'em let's get it [Chorus:]

Whatever you bout I'm bout

Whatever you with I'm with

Whenever you ready all you gotta do is say let's get it

All you gotta say let's get it

All you gotta say let's get it

All you gotta say let's get it

Let's get it

Let's get it  
Whatever you bout I'm bout  
Whatever you with I'm with  
Whenever you ready all you gotta do is say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
Let's get it  
Let's get it[Verse 2:]  
My dawg just call me right  
Said he got a cable right  
Told me if we slide right now we go get this cash right  
Told you you know I'm bout it boy  
All you gotta do is holler boy  
One phone call away I'm out here with my dawg boy  
Let's get it let's get it  
All you gotta do is say let's get it  
I'm out here you know bout me  
I'ma tell you now I'ma show bout me  
It's a hustler thang but my damn my D  
I die for them cause they'll die bout me  
Let's get it let's get it  
All you gotta do is say let's get it  
Ok mother fucker let me tell you something  
Ok mother fucker let me tell you something  
Let's get it let's get it  
All you gotta do is say let's get it  
Let's get it let's get it  
All you gotta do is say let's get it[Chorus:]  
Whatever you bout I'm bout  
Whatever you with I'm with  
Whenever you ready all you gotta do is say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
Let's get it  
Let's get it  
Whatever you bout I'm bout  
Whatever you with I'm with  
Whenever you ready all you gotta do is say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
Let's get it  
Let's get it[Verse 3:]

Hustle for the frankalin  
Messing with the Benjamin  
Everyday I'm out here trying to come up with a master plan  
I'm just trying to hustle man  
I keep thinking bout robing man  
Only thing I need right now is run it cross bout six and sayings  
Ain't nobody go give me nothing so I might as well gone take the chance  
You ain't got mo money dawg and you go be a lonely man  
I gotta make some sake  
I gotta make some sake  
My dawg just called my phone and this is all he yelling on the other end is let's get it let's get it  
All he keep on yelling is let's get items get it  
All he keep yelling is let's get it let's get it  
All he keep yelling is let's get it let's get it  
Fuck it dawg don't whisper let's get it[Chorus:]  
Whatever you bout I'm bout  
Whatever you with I'm with  
Whenever you ready all you gotta do is say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
Let's get it  
Let's get it  
Whatever you bout I'm bout  
Whatever you with I'm with  
Whenever you ready all you gotta do is say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
All you gotta say let's get it  
Let's get it  
Let's get it
