## DOGSTAR

Long ago and oh, so far away  
I fell in love with you  
Before the second show Your guitar, it sounds  
So sweet and clear  
But you're not really here  
It's just the radio Don't you remember  
You told me you loved me, baby?  
You said you'd be coming back  
This way again, maybe Baby, baby, baby, baby, oh baby  
I love you, I really do Loneliness is such a sad affair  
And I can hardly wait  
To be with you again What to say to make  
You come again?  
Come back to me again  
And play your sad guitar
