Stress for free (?)
They wanna stretch to see
They wanna see the dark
They wanna leave a mark
Don't wanna hear them scream
I wanna lie in my wet dream
Don't wanna go too far
Don't wanna drive my car
Don't wanna die too soon
So I like people to provide with room (?)
Don't wanna move too quick
You won't suck my ....
Don't wanna see strip bars
Don't wanna live in cars
You love to live in large
Live in credit cards

I'd like to talk and walk
I'd like to move walk (?)Hawkman:
Bad man give it to them anywhere
From a badness them go program
Them better prepare
I'm the hawk with the eagle we no have no fear
Them no have so read ma lips or pull up a chair
(repeat 3 times)(end of message)
