Crawling (Saint Empire Dubstep Remix)

Linkin Park

Crawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is realThere's something inside me that pulls beneath the surface
Consuming, confusing
This lack of self control I fear is never ending
Controlling
I can't seem
To find myself again
My walls are closing in
(Without a sense of confidence I'm convinced
That there's just too much pressure to take)
I've felt this way before
So insecureCrawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is realDiscomfort, endlessly has pulled itself upon me
Distracting, reacting
Against my will I stand beside my own reflection
It's haunting how I can't seemTo find myself again
My walls are closing in
(Without a sense of confidence I'm convinced
That there's just too much pressure to take)
I've felt this way before
So insecureCrawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is realCrawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing, confusing what is realThere's something inside me that pulls beneath the surface
Consuming (confusing what is real)
This lack of self control I fear is never ending
Controlling (confusing what is real)
