

# Crawling (Saint Empire Dubstep Remix)

## Linkin Park

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is realThere's something inside me that pulls beneath the surface  
Consuming, confusing  
This lack of self control I fear is never ending  
Controlling  
I can't seem  
To find myself again  
My walls are closing in  
(Without a sense of confidence I'm convinced  
That there's just too much pressure to take)  
I've felt this way before  
So insecureCrawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is realDiscomfort, endlessly has pulled itself upon me  
Distracting, reacting  
Against my will I stand beside my own reflection  
It's haunting how I can't seemTo find myself again  
My walls are closing in  
(Without a sense of confidence I'm convinced  
That there's just too much pressure to take)  
I've felt this way before  
So insecureCrawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is realCrawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing, confusing what is realThere's something inside me that pulls beneath the surface  
Consuming (confusing what is real)  
This lack of self control I fear is never ending  
Controlling (confusing what is real)
