

# Ring of Fire

## DragonForce

Love is a burning thing  
And it makes a fiery ring  
Bound by a wild desire  
And I fell right into a great ring of fire And I fell into a burning ring of fire  
I went down, down, down  
As the flames were rising higher  
And it burns, burns, burns,  
And it burns, burns, burns,  
In a ring of fire The taste of love is sweet  
When hearts just like ours meet  
I fell for you like a child  
But I jumped right in and the fire went wild When I fell into a burning ring of fire  
I went down, down, down  
As the flames were rising higher  
And it burns, burns, burns,  
And it burns, burns, burns,  
In a ring of fire Love is a burning thing  
And it makes a fiery ring  
Bound by a wild desire  
And I fell right into a great ring of fire And I fell into a burning ring of fire  
I went down, down, down  
As the flames were rising higher  
And it burns, burns, burns,  
And it burns, burns, burns,  
In a ring of fire
