

Wait For It (feat. Blac Youngsta)

Yo Gotti

Yeah

Wait for it, wait for it, wait for it, wait for it

Wanna come but can't wait for it

Head shot can't run from it

Wait for it, wait for it, wait for it, wait for it

Pussy come can't wait for it

Pussy good, I'll pay for it

Wait for it, wait for it, wait for it, wait for it (wait)

Wanna come can't wait for it

Head shot can't run from it

Wait for it, wait for it, wait for it, wait for it (wait)

Wanna come can't wait for it

Pussy good, I'll pay for it Got the pussy first night, heard she told you you had to wait for it

Got the pussy on the stretcher, heard she told you you had to pay for it

Big ole mansion need the grass cut, neighbors volunteered to pay for it

Just a rich ass trap nigga parked the wraith in the front yard

I be fucking with the bad bitches, good credit she could pay for it

I ain't fucking with the lay-away-hoes type of bitch she gotta wait for it

Shorty trying get my number, told the hoe she gotta wait for it

Trying fuck on a real nigga, told the bitch she gotta wait for it Yeah

Wait for it, wait for it, wait for it, wait for it

Wanna come but can't wait for it

Head shot can't run from it

Wait for it, wait for it, wait for it, wait for it

Pussy come can't wait for it

Pussy good, I'll pay for it

Wait for it, wait for it, wait for it, wait for it (wait)

Wanna come can't wait for it

Head shot can't run from it

Wait for it, wait for it, wait for it, wait for it (wait)

Wanna come can't wait for it

Pussy good, I'll pay for it All my bitches feisty, all my niggas shiesty's

All I do is shoot dices, I might take a nigga life's

I remember I was broke as fuck sleeping on the floor with the mice's

Gotta go and see these preacher 'cause I ain't living righteous

Know these niggas wanna crate me, 'cause they really don't like me

I ain't Two PAC but I'm on death row, I ain't Suge Knight but I'm real cut throat

Everybody lay down on the dam floor, and you better not move or you going get hurt

I'll see your grand mama at the front door, BET awards rich nigga front row Yeah

Wait for it, wait for it, wait for it, wait for it
Wanna come but can't wait for it
Head shot can't run from it
Wait for it, wait for it, wait for it, wait for it
Pussy come can't wait for it
Pussy good, I'll pay for it
Wait for it, wait for it, wait for it, wait for it (wait)
Wanna come can't wait for it
Head shot can't run from it
Wait for it, wait for it, wait for it, wait for it (wait)
Wanna come can't wait for it
Pussy good, I'll pay for it
Rollie on without the time set, on my young nigga mind set
She ain't fuckin' I don't mind that, but if she ain't fucking I ain't buying it
New whip indoor, outdoor shout out to Jay my mentor
Might sign bricks at the me and the plug so tight he moved next door
When you plugged in with the cartel you ain't never gotta wait for it
I just ran up another five million dollar I ain't even got space for it
Therefore, hate more
I ain't trippin, I ask for it, too turnt, white aventador
Say you gettin' money, I'm waitin' for it
Yeah
Wait for it, wait for it, wait for it, wait for it
Wanna come but can't wait for it
Head shot can't run from it
Wait for it, wait for it, wait for it, wait for it
Pussy come can't wait for it
Pussy good, I'll pay for it
Wait for it, wait for it, wait for it, wait for it (wait)
Wanna come can't wait for it
Head shot can't run from it
Wait for it, wait for it, wait for it, wait for it (wait)
Wanna come can't wait for it
Pussy good, I'll pay for it
