

# YAYA (feat. Benjamin Kheng)

## THELIONCITYBOY

[Intro: Benjamin Kheng]

Head wraps and whiskey her thing  
Shawty will you come back with me  
Told ya that I'm holding the key

One more then we'll head back by 3[Verse 1: TLCB]

One girl, One girl, Call me crazy I want one girl

Not just smart but a bar girl

She'll cut you off quick like her long curls

Homegirl but she much worse

Rich with comebacks to converse

Girlfriends smoke but they bum first

She'll sneak in drinks to my concerts

She lives east side on the green line

Telling me I'm late when I'm on time

Man it's been one week give me one sign

Then she text me grade me a hard 9

Oh yaya she got me on smash

I love how she come and she order

I think this is the one that will last

Forever and ever, and ever and ever

[Pre-Chorus: Benjamin Kheng]

Head wraps and whiskey her thing

Shawty will you come back with me

Told ya that I'm holding the key, ay ay ay

One more then we'll head back by 3[Chorus: Benjamin Kheng and TLCB]

Yea you got it 'cause you're

YAYA, eh eh eh, YAYA, eh eh eh

Shawty will you come back with me

Love that you're YAYA to me (yea you got it 'cause you're)

YAYA, eh eh eh, YAYA, eh eh eh

Alright she'll be all that I need

Love that you're YAYA to me (to me, YAYA)

Love that you're YAYA to me

[Verse 2: TLCB]

Call me crazy I want one girl

Not just tough but a NARS girl

When she kiss, love how her tongue curls

My heart beats like drums with baton swirls

Her sauce good for Dijon chips

Round the world pay her own trip  
For you girl I go off script  
She stole my heart, she a convict  
Now I'm learning fast, learning fast  
On Siglap dates she don't want my cash  
Got Jimmy Choos like a hundred pairs  
Steal the show she a star with a shooting past  
I be the last one here for ya girl  
And the first one there when you got none, yea  
She's a live one too no chance for an l.A  
Always knew she be mine someday[Pre-Chorus: Benjamin Kheng]  
Head wraps and whiskey her thing  
Shawty will you come back with me  
Told ya that I'm holding the key, ay ay ay  
One more then we'll head back by 3[Bridge: Benjamin Kheng and TLCB]  
Yea you got it 'cause you're  
YAYA, eh eh eh, YAYA, eh eh eh  
Shawty will you come back with me  
Love that you're YAYA to me (yea you got it 'cause you're)  
YAYA, oh oh oh  
Alright she'll be all that I need  
Love that you're YAYA to me[Chorus: Benjamin Kheng and TLCB]  
YAYA, eh eh eh, YAYA, eh eh eh  
Shawty will you come back with me  
Love that you're YAYA to me (yea you got it 'cause you're)  
YAYA, eh eh eh, YAYA, eh eh eh  
Alright she'll be all that I need  
Love that you're YAYA to me (ah ah ah ah ah)  
Love that you're YAYA to me (to me, YAYA)  
Love that you're YAYA to me
