

# One More Night

[JD Souther](#)

One more night with you in my head  
I'M afraid I might do some things that I dread  
Like go on down to where you used go  
And hurt somebody I don't even know

One More Night (Don't do it)

One More Night (Don't do it)

One More Night

This love is like a killing spree

And it's killing me.

One more day of smoking cigarettes alone  
You know, I can't stand the things but the pack is all gone

I light one up and then I throw it down

I think I set fire to your wedding gown

One More Night (Don't do it)

One More Night (Don't do it)

One More Night

This love is like a killing spree

And it's killing me.

So I talked to Jesus like I knew I should

He said "Aren't you born again..."

I said "Yes, but that was long ago

And I remember thinking then...

One More Night?..."

Now One more night of you in my head...

I don't want to talk about it. Every thing's been said

But if no one is guilty and no one's to blame

Where's the fun, where's the pity, where's the shame...

One More Night (here I come...)
