

# Someone Like You (feat. Tessanne Chin)

## Protoje

You ready? (Yeah yeah yeah)  
So I say step closer, you know  
'Cause you see it and I see it you know girl  
Yeah yeah yeah(Protoje)  
Hold me tight so that I won't forget  
'Cause every girl that I have been with, they don't know me yet  
So I'm over it  
The way it worth it we should go for it  
For if we try we shall not fail and hence we won't regret  
So how it set?(Tessanne)  
So many sleepless nights  
With you resting on my mind  
Is this what it seems or am I only dreaming  
That I'd find someone like you  
(Tessanne)  
I will pick you up when you're feeling bad  
Kiss a smile to your lips when you're feeling sad  
Tell me what you want 'cause I can deal with that  
That's a fact  
Got the remedy here for you, yeah(Protoje)  
I hope you knowing what you do to me, all of this is new to me  
Holding out for you to see, just time and opportunity  
Wan' give you the best of me fi carry on the legacy  
I've got to find someone like you(Protoje)  
I tell you this is the one, the one  
Please don't let me lose this one  
And I've been watching you all along  
Have you now where you belong  
(Tessanne)  
Tell you this is the one, the one  
Please don't let me lose this one  
And now I've got you where you belong  
Please don't let me lose this one Somebody like you, yeah yeah  
Somebody like you, oh yeah! (You know, you know, oh oh)  
Somebody like, body like, body-da-da-da-na-na-na yeah yeah yeah  
(Somebody like you) Somebody like, somebody like  
Protoje! (Yeah yeah)  
Can you feel me! (Yes, you know I do)  
Somebody, somebody, somebody like you Oh yes, I telling you
