All the Man That I Need

Gloria Gaynor

Precious darling, you know you're my man
All you got to do is wave your hand
Yes, I cherish all you got to give
I don't need nothing' else to liveAll I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your loveTaste that honey flowin' from your lips
I start shakin' from your fingertips
[Unverified] steady, movin' right on time
Feel so warm in these arms of mineAll I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your loveNow darlin', when I'm with you
Say, it feels so good inside
It's just makin' love to you
I'm so satisfiedAll I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love
Yeah, baby
