

All the Man That I Need

Gloria Gaynor

Precious darling, you know you're my man
All you got to do is wave your hand
Yes, I cherish all you got to give
I don't need nothing' else to live All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love Taste that honey flowin' from your lips
I start shakin' from your fingertips
[Unverified] steady, movin' right on time
Feel so warm in these arms of mine All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love Now darlin', when I'm with you
Say, it feels so good inside
It's just makin' love to you
I'm so satisfied All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love
Yeah, baby
