

# Cryptic Motion

## Squarepusher

A placement  
Moves forth forever more  
Where there's nothing  
But incessant? motion?

The moment  
Binds? all too its mast  
There? is something  
That cannot be proven

This journey  
Made of? luck and? fear?  
That? is nothing  
Of its kind to come home to

Behold? this  
Strange extravagance  
Here is something  
That can't be denied you?
