

# Start Today

## Gorilla Biscuits

Yesterday you were on my back just to get my time  
I guess it's not as precious as it seems  
Because I found the time for hangin out  
And talkin on the phone  
What should I expect, now that my time is free  
And you're nowhere to be found  
Next time I'll try, for the first time in my life  
It won't pass me by  
Procrastinate it can wait, I put it off  
Let's start today  
My room's a mess and I can't get dressed  
I gotta be out by eight o'clock  
Deep inside I know the answer  
Well, there's no time like the present  
And I'd like to hang out but who doesn't  
I've made enough mistakes for this lifetime  
Now I'm here to make amends  
Next time I'll try, for the first time in my life  
It won't pass me by  
Procrastinate it can wait, I put it off  
Start, stop
