

Janey, Don't You Lose Heart

[Bruce Springsteen](#)

You got your book baby with all your fears
Let me honey and I'll catch your tears
I'll take your sorrow if you want me to
Come tomorrow
That's what I'll do
Listen to me Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart Well you say you got no new dreams to touch
You feel like a stranger babe who knows too much
You come home late and get undressed
You lie in bed and feel this emptiness
Well listen to me Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart Well every river, baby, it runs dry
Until the sun's torn from the sky
Till every feel you've felt burst free
Gone tumblin' down into the sea Listen to me
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
