Hello, It's Me

Swissy

Hello It's me,
I've thought about us for a long, long time
Maybe I think too much but some thing's wrong
There's something here that doesn't last too long
Maybe I shouldn't think of you as mineSeeing you
or seeing anything as much as I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes, I can't help seeing all the way throughIt's important to me that you know you are free
'Cause I never want to make you change for meThink of me,
you know that I'd be with you if I could
I'll come around to see you once in a while
Or if I ever need a reason to smile
And spend the night if you think I shouldIt's important to me that you know you are free
'Cause I never want to make you change for meThink of me,
you know that I'd be with you if I could
I'll come around to see you once in a while, yes I will
Or if I ever need a reason to smile
And spend the night if you think I shouldThink of me
Think of me
Think of me
