

Don't Let Me Be Misunderstood

Cyndi Lauper

Baby, do you understand me now?
Sometimes I feel a little mad, oh well
Don't you know that no one alive can always be an Angel?
When things go wrong I seem bad Oh but I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood Baby, sometimes I'm so carefree
With a joy that's hard to hide
Oh when sometimes again it seems that all I have is worry
And then you bound to see my other side Oh but I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood If I seem edgy, I want you to know
That I never mean to take it out on you
Life has its problems and I have my share
And that's me one thing I never wanna do Baby, don't you know I'm, I'm only human
I have thoughts like any other one?
Oh when sometimes I find myself alone regretting
Some little thing, some little simple thing I've done But you know I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood But I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood Please don't let me be misunderstood
Please don't let me be misunderstood
