Thinkin' bout You

Dallas Smith

You ask me
What I got running through my mind
Don't you know
It's the same thing every time

Don't matter if I'm running around
Out with the boys making noise
I get all crazy
Hitting the road, sitting at home
Wherever I go, whatever I do

On the job, watching the clock
Busy or not, don't matter baby
So I was thinking, sober drinking
Either I'm awake or dreaming
I'm thinkin' bout you
I'm thinkin' bout you

Your sweet face
Is always burning in my head
And I can't wait till I see again
Whoa, but girl till then

When I'm running around
Out with the boys making noise
I get all crazy
Hitting the road, sitting at home
Wherever I go, whatever I do

On the job, watching the clock
Busy or not, don't matter baby
So I was thinking, sober drinking
Either I'm awake or dreaming
I'm thinkin' bout you
I'm thinkin' bout you

Yeah, the radio's on
No matter what song
It could be off
And I still be thinkin'

'Bout your lips
'Bout your kiss
That old list of what I love 'bout you

Don't matter if I'm running around
Out with the boys making noise
I get all crazy
Hitting the road, sitting at home
Wherever I go, whatever I do

On the job, watching the clock
Busy or not, don't matter baby
So I was thinking, sober drinking
Either I'm awake or dreaming
I'm thinkin' bout you and me
Baby, I'm thinkin' bout you and me
That's all I do

On the job, watching the clock
Busy or not, don't matter baby
So I was thinking, sober drinking
Either I'm awake or dreaming
I'm thinkin' bout you
