No One Else

Smokie Norful

No one else can receive the glory
No one else can receive the glory
No one else can receive the praise
No one else can receive the praiseNo one else can receive the glory
No one else can receive the glory
No one else can receive the praise
No one else can receive the praiseBecause He's holy, holy
And Righteous, and righteous
Omnipotent, omnipotent
And mighty, and mightAlpha, Alpha, Omega, Omega
My Redeemer, my Redeemer
My Savior, my SaviorAnd I'll take nothing at all for all you've done for me
And I freely yield my total praise
If I should gain anything, let it point to Calvary
I'll give you the glory, no one elseBelongs to you
Hallelujah, gloryNo one else
No one else can receive the glory
No one else can receive the glory
No one else can receive the praise
