

# Right Here For U

112

Baby  
(One, twelve)  
I know I'm wrong 'cause  
(Be right here for u)  
You've already got a man  
(Ooh, one twelve, yeah, be right here for you)  
But I see the way he treats you  
(Ooh one twelve)  
And I know I can treat you a lot better  
(Be here right here for you)  
Whenever you need me, I'll be right here for u  
(Q, Mike, Slim, Daron)  
Listen?  
Baby, you don't have to cry  
So won't you wipe the tears from your eyes  
Girl, I need for you to see  
With me is where you know you need to be  
Whatever it is  
Girl, don't hesitate to call me  
You don't have to worry 'bout a thing  
'Cause I'll be right here waiting for you  
Whatever he won't do, I'll do  
Whatever you need, I'll give to you  
Whenever you cry, I'll cry with you  
Baby, just call on me and I will be right there  
Right there for u  
Whenever you think of me  
Know that I'm thinking of you  
And how can I get you to see  
That you're somewhere you ain't suppose to be  
Just give me one chance  
To prove to you I'm a better man  
Never break apart  
You'll always be in my heart  
Whatever he won't do  
You know I'd do it for you  
Whatever he won't do, I'll do  
Whatever you need, I'll give to you

Whenever you cry, I'll cry with you  
Baby, just call on me and I will be right there  
Right there for u  
I'll do things for you  
Like that man won't do  
I'll prove my love to you  
Girl, I'll die for you  
I'll hold you tight  
All through the night  
To let you know  
It'll be alright  
You are my world  
Please be my girl  
I promise you  
My love is true  
I'll make love to you  
I'll take care of you  
Girl, I'm gonna show you  
That I'm right here for u?  
Whatever he won't do, I'll do  
Whatever you need, I'll give to you  
Whenever you cry, I'll cry with you  
Baby, just call on me and I will be right there  
Right there for u  
Whatever he won't do, I'll do  
Whatever you need, I'll give to you  
Whenever you cry, I'll cry with you  
Baby, just call on me and I will be right there  
Right there for u  
Oh, baby, be right there for u?  
Ooh, ooh, I'll be right here for u?  
Ooh, I'll be right here for u?  
Right there for u?  
I'll be right here for u?  
Ooh ooh, I'll be right here for u?  
Ooh ooh, I'll be right here for u?
