

# Paths Of Victory

## The Byrds

The trail is dark and dusty  
The road is kinda rough  
But the clearer road up yonder  
With the cinders on the side Trails of troubles  
And your roads of battle  
They lead paths of victory  
We shall walk I walked down to the valley  
Turned my head up high  
Seen that silver linin'  
That was hangin' in the sky Trails of troubles  
And your roads of battle  
They lead paths of victory  
We shall walk The mountain was a movin'  
The hummin' of its wheels  
Told me of the new day  
It was coming across the fields Trails of troubles  
And your roads of battle  
They lead paths of victory  
We shall walk The gravel road is bumpy  
It's a hard old road to ride  
But the good road is waitin'  
And the boys it ain't far off Trails of troubles  
And your roads of battle  
They lead paths of victory  
We shall walk
