

Some Say

Once on This Island Ensemble

Some say we're never meant to grow up
I'm sure they never knew enough
I know the pressures won't go away
 It's too late
 Find out the difference somehow
 It's too late to even have faith
 Don't think things will ever change
 You must be dreaming
 Think before you make up your mind
 You don't seem to realize
 I can do this on my own
 And if I fall, I'll take it all
 It's so easy after all
 Believe me 'cause now's the time to try
 Don't wait, the chance will pass you by
 Time's up to figure it out
 You can't say it's too late
 Seems like everything we knew
 Turned out were never even true
 Don't trust, things will never change
 You must be dreaming
 Think before you make up your mind
 You don't seem to realize
 I can do this on my own
 And if I fall, I'll take it all
 It's so easy after all
 Some say we're better off without
 Knowing what life is all about
 I'm sure they'll never realize the way
 It's too late
 Somehow it's different everyday
 In some ways it never fades away
 Seems like it's never gonna change
 I must be dreaming
 Think before you make up your mind
 You don't seem to realize
 I can do this on my own
 Think before you make up your mind
 You don't seem to realize

I can do this on my own
And if I fall, I'll take it all
It's so easy after all
Believe me, it's alright
It's so easy after all
Believe me, it's alright
It's so easy after all
