

# 46 Days

## Phish

Leigh Fordham sold me out  
46 days and the coal ran out  
Please come round here another day  
Sit yourself down when you're ready to stay  
She dug down when they took the town  
Lookin' for clues but they couldn't be found  
Leigh found out she was ready to roam  
47 days and the coal came home  
Taste the fear, for the devil's drawing near  
Taste the fear, for the devil's drawing near  
46 days and the coal ran out  
46 days and the coal ran out  
46 days and the coal ran out  
46 days and the coal ran out
