Please!

Kalapana

Joy, joy is the giving
Give to everybody
Joy!
Joy!War, war is the ego
Of man's repressed libido
Love!
Love!Feel, the love
Hear, the love
See the lovePlease!
Please!
Please!Love, love is the mother
God, god is the human
You, the generator
Please!
Please!Peace, peace is the giving
A piece for everybody
Please
PleaseFeel, you love
Hear, you love
See you love
Love
