

# Delilah

P.J. Proby

Yo, check this out man, Delilah  
Delilah, Delilah  
Delilah, Delilah, Delilah, Delilah, Delilah  
A mi seh, oh Delilah, Delilah  
How yuh a go dance and yuh can't even buy new shoes?  
How yuh a go boogie when yuh can't even find yuh groove?  
But yuh still mek moves, a mi seh, oh Delilah  
She's a teenager, but with the pressures of the world  
On her shoulders she's much older  
Sweet sixteen already a baby's mother, baby father on the move  
A mi seh, oh Delilah, check it  
A mi seh, oh Delilah, Delilah  
How yuh a go dance and yuh can't even buy new shoes?  
How yuh a go boogie when yuh can't even find yuh groove?  
But yuh still mek moves, a mi seh, oh Delilah  
She's always struggling and trying to do better  
But it seems like this life just won't let her  
So she still mek moves, and she still haffi dance  
And boogie without her shoes  
Delilah oh, Delilah, pretty baby  
How yuh feel when yuh walk dung a empty road?  
Pretty girl and, how yuh feel when yuh just can't bare yuh load?

Yuh haffi cry on yuh own, a mi seh, oh Delilah  
A mi seh, oh Delilah, Delilah  
How yuh a go dance and yuh can't even buy new shoes?  
How yuh a go boogie when yuh can't even find yuh groove?  
But yuh still mek moves, a mi seh, oh Delilah  
A mi seh, ooh, hey, haffi dance and get up  
People haffi dance and get up  
People yuh haffi move and get up  
People yuh haffi dance and get up  
People yuh haffi move and get up  
People yuh haffi dance and get up  
A mi seh, oh Delilah  
A mi seh, ooh, hey, haffi dance and get up  
People haffi dance and get up  
People yuh haffi move and get up  
People yuh haffi dance and get up

People yuh haffi move and get up  
People yuh haffi dance and get up  
A mi seh, oh Delilah  
A mi seh, oh Delilah, Delilah  
How yuh a go dance and yuh can't even buy new shoes?  
How yuh a go boogie when yuh can't even find yuh groove?  
But yuh still mek moves, a mi seh, oh Delilah
