Be Brave

Section 25

Oh happiness you always make me laugh (2x)
Things start to go right (2x)Oh happiness you always make me laugh
So start the good feeling
Get the ball rolling, rolling along,
Let's see the smiles
Laughing out loud,
In with the crowd
All the saints laugh
And wise men see
Laughing in a crowd,
You and me
Oh happiness, things start to go right (2x)We brave the climate of doom,
Our love will see us through
You need courage to try,
To even ask why?
Happiness make me laugh
make me laugh
You always make me laughComing from the heart, that's where it all starts (2x)Oh happiness
You always make me laugh
Make me laugh (4x)
So start the good feeling
Get the ball rolling,
Rolling along, rolling along
Let's see the smile (3x)
Laughing out loud
In with the crowd
All the saints laugh
And wise men see
Laughing in a crowd,
You and me
