You May See Me Walkin'

Ricky Skaggs

You may see me walkin'
You may hear me talkin'
But the words I speak
Won't ever be about youYou once left me cryin'
And now you're still tryin'
To make amends by saying
You'll be trueLike a fool I played along
With your cheatin' game
Now my heart is payin' for
The things you did with shameYou may see me walkin'
You may hear me talkin'
But the words I speak
Won't ever be about youLike a fool I played along
With your cheatin' game
Now my heart is payin' for
The things you did with shameYou may see me walkin'
You may hear me talkin'
But the words I speak
Won't ever be about youNo, the words I speak
Won't ever be about you
